**LETTER OF COMPLIANCE FOR
LETTER OF DEFICIENCY# WSEB 02-168**

Mike Hall
Exeter Hospital
10 Buzel Avenue
Exeter, NH 03833

Subject: Exeter - Public Water System: Exeter Hospital (EPA #0804020)

Dear Mr. Hall:

As a result of the recent submission of Inorganic Chemical (IOC) sample results, the NH Department of Environmental Services (DES) has determined that the violation identified in the Letter of Deficiency WSEB #02-168, dated November 15, 2002, has been resolved. Since the IOC sample results indicate that the sample was collected during the system's assigned sampling quarter, DES hereby rescinds the request, contained in the Letter of Deficiency, that public notice be performed. DES appreciates your cooperation in resolving this matter.

Please continue to submit water sample results according to your chemical monitoring schedule.

If you have any questions concerning this letter, please contact me at (603) 271-2854 or by e-mail at aleach@des.state.nh.us.

Sincerely,

COPY
